Just for this month, I am back to complete a very shortened edition of Signals. Candice is having problems with her computer, so this is back to the old fashioned version, by Eli.

Here are the newly approved sailing dates, but this can still change, according to what is happening with Covid 19, and the rules. Please check on 9976 2747 whether sailing will go ahead.

We are very fortunate to have been invited to join with Manly Sailing on Thursday afternoons to give us further opportunities for sailing. We will be included within the Manly Cup arrangements by using our Hansas to help with the confidence of young people who are keen on sailing, but not quite confident enough to take a boat out on their own. Our keen volunteers will be invited to join in with this project, which may also involve some of our sailors with a disability who are keen to be included. This will take place on Thursday afternoons, from 3.30 p.m. until around 6.00 p.m. finishing with a sausage sizzle. Dates for this project will be starting when allowed by Covid 19 Health Orders: Hopefully commencing on Thursday, 21<sup>st</sup> October.

In order to take part in Sailability, either as a participant, or a volunteer, you will need to have proof of vaccination ready. The simplest way to do this is email me the details...your Document Number, starting with 1000, and Date Valid From. [eli@manlysailability.com.au](mailto:eli@manlysailability.com.au) is the address to send it to. If you do this, you do not need to carry the proof with you.

Thanks so much to the people who helped with setting up and unpacking the Freshwater Bendigo Bank display from Monday, 6<sup>th</sup> September to Friday, 17<sup>th</sup> September. Candice, John, Eli. Thanks also to the people who drove or walked past, creating interest by looking in the window. We have had a couple of enquiries from new volunteers and interested by-standers.
